PROCLAMATION
DAIRY AWARENESS MONTH

WHEREAS, dairying is the branch of farming devoted to the production of milk and many trades and industries are dependent on milk to make such products as butter, cheese, yogurt, ice cream, and many other by-products; and

WHEREAS, today's farmer not only needs to be concerned with what the general public sees as dairy farming chores and responsibilities, such as the care, feeding, and milking of cows; but needs to be aware of barn housing, the most effective and economical feeds, disease and stress prevention, and milk prices; and

WHEREAS, our dairy farmers need our support as they compete with today's industry demands, so let us support a way of life which has lasted centuries and will meet the next century with confidence and determination for its survival; and

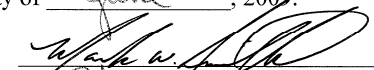

WHEREAS, we need milk to become healthy and fit to face the new horizons of the 21st century; the new Bradford County Dairy Princess will be selected on this date to help in the efforts of promoting the industry.

NOW, THEREFORE, because of the importance of the dairy industry in Bradford County, we, the Bradford County Commissioners, proclaim June 2009 as "**DAIRY AWARENESS MONTH**" to honor those who choose this way of life which is demanding in every aspect as well as to educate the public. Help promote this valuable commodity.

IN WITNESS WHEREOF, we have hereunto set our hands and caused the seal of the County of Bradford to be affixed this 18th day of June, 2009.

ATTEST:

Gayle Kershner, Chief Clerk

Bradford County Commissioners
