CLARIFICATION OF THE 2011 BLACK FLY SUPPRESSION PROGRAM

Bradford County has every intention of participating in the 2011 Black Fly Suppression Program. The Black Fly Suppression Program is a PA Department of Environmental Protection program and each year it is offered to Bradford County to participate in this program. The State budget appropriations for 2010 shortened the statewide treatment operations which reduced Bradford County's 2010 assessment by \$6,983. If the 2011-2012 Black Fly Suppression Program is restored to fully funded levels by the State, Bradford County's 2011 assessment will be \$46,552.
