Bradford County is in the process of developing Master Plans for Lanard-Hornbrook, Sunfish Pond, and Mt. Pisgah County Parks. The Master Plans will explore the assets of each park and determine how the park sites can be enhanced to better serve the recreation needs of Bradford County residents.

You are invited and encouraged to attend an evening brainstorming session to voice your thoughts and ideas on the future plans for Lanard-Hornbrook, Sunfish Pond, and Mt. Pisgah County Parks. Public input will be incorporated into the design process and will help to establish priorities for future development and conservation.

Mark your calendars and plan to attend. Share this invitation with others. If unable to attend, and want to contribute, please forward your comments to Raymond J. Stolinas, Bradford County Planning Director, stolinasr@bradfordco.org.
